

Charnwood Local Plan 2021-37 Consultation

Growth. Communities. Environment.

Consultation runs from July 12 to August 23

Residents, businesses and interested parties are being invited to comment on Charnwood Borough Council's vision for growth, healthy communities and environmental safeguards.

A six-week public consultation on the Charnwood Local Plan 2021-37 is being held between July 12 and August 23, 2021.

The Local Plan guides strategic development and identifies locations for housing and employment land. It also considers the impacts of climate change, infrastructure needs and protection of green spaces.

The consultation gives people the chance to submit comments on the 'soundness' of the Local Plan. After the consultation, the document will be submitted to the Secretary of State for an examination in public, carried out by a Planning Inspector.

The Council will guide interested parties on how to make effective representations for consideration by the Planning Inspector. We will collate and submit representations to Government alongside the Local Plan.

To find out more, go to www.charnwood.gov.uk/localplan, email localplans@charnwood.gov.uk or call the Local Plan Team on 01509 634929.

Paper copies of the documents are available for viewing at the Council Offices at Southfield Road in Loughborough. Visitors will require a pre-booked appointment. Please call 01509 634560.
